The application in the above was filed Monday, February 28, 2011. The Applicant would respectfully request that the procedure in the matter be expedited and that the deadlines be abbreviated in a manner to permit an early resolution of the issues while reasonable opportunities for adjudication of any issues. The Applicant is prepared to publish the required notices immediately upon receipt of the Commission's notice. May I request a return date of fifteen days from publication. The Applicant, however, stands ready to comply with any procedure set by the Commission. I am advised that the Office of Regulatory Staff has no objections to an expedited treatment of this application. If you or counsel have questions, please feel free to contact me.
